※Students who have applied for this scholarship can take a limited number of credits.

1. Application Procedure and Requirements

The application process is composed of two stages: document/test evaluation and oral interview.

The initial evaluation of the applicant's eligibility status for the tuition waiver will be based on the following documents:

- ① KCGI Scholarship Application Form
 - ② Certification of graduation issued by the relevant academic institution.
 - ③ A certified copy of academic transcript issued by the relevant academic institution.
 - ④ A recommendation letter from an academic advisor/professor or a supervisor/manager from a workplace (use the format specified by KCGI)
 - ⑤ Japanese language or English language proficiency test results (copy).
(such as Japanese Language Proficiency Level N2 Exam score; EJU score above 225; J.Test score above Level C; BJT score above 400; Test of English as a Foreign Language (TOEFL IBT above 80; IELTS score above 5.5, or equivalent)
 - ⑥ Financial support-related documents (ex. Income Statement for the past 3 years)
 - ⑦ Other additional documents for reference (optional): Reference documents for evaluation purpose.
- *Not necessary to submit with the required documents for admission but may be helpful.

2. Interview Schedule

As a rule, the qualifying test for the KCGI scholarship is conducted on the same day together with the KCGI admissions examination. Successful applicants who pass the document/test stage will be duly notified of the interview schedule.
